WHAT Breed Street Elementary – Career Day

WHEN FRIDAY, APRIL 16, 2010
8:30 AM – 10:30 AM

WHERE Breed Street Elementary

Great Minds in STEM™ through the STEM-Up™ Initiative announces its support of the Breed Street Elementary Career Day scheduled for Friday, April 16, 2010. Professionals from different sectors will help empower students to impart knowledge on the future workforce of our country.

The primary objective of the Breed Street Elementary Career Day is to provide awareness and motivate students on the various career opportunities available. Speaker will share their own college journey, current role and responsibilities and the opportunities of careers available within their respective organization.

This sharing of opportunities will allow students to glimpse the tremendous array of careers open to them and to better prepare for middle and high school and plan for college. It is truly a worthwhile event that will offer the opportunity to shape the future of our youth.

Career Day Schedule of Event:

Opening Assembly in Auditorium	8:30 AM – 9:00 AM
1st Session Speaker Presentations in Classrooms	9:00 AM – 9:30 AM
2nd Session Speaker Presentation in Classrooms	9:30 AM – 10:00 AM
