

“DESTINY DRIVEN BY DETERMINATION”

Great Minds in STEM is Proud to Collaborate with the National Organization of Gay and Lesbian Scientists and Technology Professionals at the 2017 HENAAC Conference.

The National Organization of Gay and Lesbian Scientists and Technical Professionals, Inc. is a professional society that educates and advocates for lesbian, gay, bisexual, transgender, and queer students and professionals in science, technology, engineering, and mathematics. It is a 501(c)(3) non-profit organization.

NOGLSTP has partnered with MentorNet, a division of GMiS, since 2007. NOGLSTP utilizes MentorNet to connect their LGBTQ professional and student members in virtual mentorships and to guide their mentoring experiences with sensitivity to the concerns of their community.

NOGLSTP members have participated in the HENAAC Conference consistently the last few years. This year, the partnership has been formalized and will include convening with members during the conference.
